

Angleboard Display®

The perfect edge to protect your product line

- Economical
- Versatile
- Retail ready

Angleboard Display® is a versatile, shippable packaging solution suitable for packing, transporting and displaying retail products. Retail ready, it can be pre-stocked and shipped directly to the retail floor. The strong, stable design features a uniform structural build that can be modified for temporary or semi-permanent marketing promotions. Signage can be added for product identification and point-of-sale merchandising.

Made from recycled materials, Angleboard Display is a sustainable, economical solution for your point-of-purchase needs.

100% Recyclable

Angleboard products are made from 100% recycled materials.
